## Teacher Retention

Educator Quality, Credentialing  
and Licensing Supports

---

Britni Walz  
(608) 668-2722  
bwalz@cesa4.org

### Level 2A Teacher Retention Membership

With this membership districts will receive the following benefits/supports:

- Three days for evaluation of current induction program, action planning, and revision
- Up to five teachers attending New Teacher Trainings (4 virtual after school)
  - ▶ Each additional teacher (billed with the training if not designated here)
- Up to five mentors attending the Mentoring Essentials Training
  - ▶ Each additional mentor (billed with the training if not designated here)
- Up to five Year one or Year two teachers attending one of our universal level networks
  - ▶ Each additional teacher (billed with the networks if not designated here)

### Level 2B In-District Training for Mentors

- Virtual or on-site meeting with participating district-level personnel to understand current initiatives and needs for new teachers
- One-day Mentoring Essentials training
- Follow-up training for mentors as determined by district
- Assistance via email and phone calls

### Level 2C Customized In-District Service

Customized new teacher/mentoring services to meet district needs and fulfill PI-34 requirements. Services could include:

- In-district mentor/mentee observation and feedback
- New teacher observations and feedback
- New teacher professional learning opportunities
- Contracted mentor services

### Level 2D Induction Program Evaluation and Planning (3 days)

- Review of current mentoring and induction plan
- Creation of plan of action for necessary or desired changes
- Facilitate district team to revise program and enact changes
