Participants that have attended a S.M.A.R.T. Pre-K training at CESA 4 through A Chance to Grow have an opportunity to apply their learning from the training to the classroom. The CESA 4 training will be held July 29 through July 31, 2025. S.M.A.R.T. is a multi-sensory approach to teaching and learning designed to develop and enhance critical readiness skills children need to succeed in school. It is specifically designed to prepare children to learn through fun and age-appropriate activities. S.M.A.R.T. Pre-K will not only help you understand how to look at this age group developmentally, but it will also give you the tools you need to apply S.M.A.R.T. activities in your classroom.
