Districts requesting and/or receiving this service establish contract parameters (e.g., salary, contract length, supervision/evaluation) in cooperation with CESA 4. District-based CESA 4 employees generally follow school district job descriptions and school district calendars.

District-Based Employee(s)

If you are interested in adding or expanding district-based CESA 4 staff position(s), contact Paul Fischer to explore the possibilities. Once established, the information will be added to your Master Contract.
